SERMON RECAP - AUG 2026

Sermon 1: A Heart of Gratitude

Main Passage: Psalm 100

Takeaway: A critical heart fixates on what's wrong, but gratitude remembers what God has already done. Shift from criticism to worship by remembering that God is good, His love endures, and His faithfulness never runs out.
Question: Where has criticism become louder than gratitude in your life, and what can you choose to thank God for instead?

Sermon 2: Overwhelmed

Main Passage: Psalm 61:1–2

Takeaway: When the weight of life exceeds your strength, don't just learn to carry it, surrender it. Let God lead you to the Rock that is higher than you.

Question: When your heart is overwhelmed, what do you run to instead of surrendering the weight to Jesus?

Sermon 5: How to Let Go of Offense

Main Passage: Psalm 27

Takeaway: Faith doesn't mean fear disappears, it means fear doesn't get the final word. Seek God's presence, trust His character, and stay connected to Him while you wait.

Question: What has fear been deciding for you, and what would change if you gave God the first word instead?

Sermon 3: You Weren't Made to do Life Alone

Main Passage: Psalm 133

Takeaway: God didn't design us to simply be around people, He designed us to belong. Real unity requires us to move beyond convenience, make room for others, and pursue Jesus together.

Question: Where have comfort or convenience kept you from the kind of community and connection God designed you to experience?

Sermon 4: Give God the First Word

Main Passage: Psalm 27

Takeaway: Faith doesn't mean fear disappears, it means fear doesn't get the final word. Seek God's presence, trust His character, and stay connected to Him while you wait.
Question: What has fear been deciding for you, and what would change if you gave God the first word instead?
